

CLINITEST Rapid COVID-19 Antigen Test
Department of Health and Social Care Futility Testing

Dear Customer,

Siemens Healthineers can confirm that the Orient Gene lateral flow antigen test, Healgen lateral flow antigen test and Siemens CLINITEST Rapid COVID-19 antigen test are equivalent.

This means the above will be considered to have passed the futility testing process defined by the UK Government.

Thank You,

Ken McCartney
Country Business Lead Point of Care
Siemens Healthineers

Department
of Health &
Social Care

To Mr D Morris,

I can confirm that the Department of Health and Social Care accepts that the Orient Gene lateral flow antigen test and the Healgen Lateral flow antigen test are equivalent.

I can confirm this means that the Healgen product will be considered to have passed the futility testing process defined by the UK government.

Yours sincerely,

Anna Gronert
